**Buckinghamshire Historic Churches Trust** was founded in 1957 by the then Lord Lieutenant, Sir Henry Aubrey-Fletcher DSO MVO and Bishop of Buckingham, the Rt Revd Robert Milton Hay, who were the first Trustees. The Lord Lieutenant and Bishop of Buckingham continue to hold the positions of Chairman and Vice-Chairman.

The Trust makes grants to churches and chapels of all denominations towards the preservation, repair, maintenance and upkeep of the fabric of these buildings. Since 1957 the Trust has given well in excess of one million pounds and in 2016 grants totalling £63,000 were approved for distribution in the county.

We very much hope you will be able to support this event.
