

RIDE + STRIDES for Churches

BHCT Ride + Stride Photo Competition!

This year has given us all time to reflect, take stock and appreciate each other and the great outdoors. As a result, our parishes have been capturing interesting and fascinating images from in and around their churches, which gave us an idea!

This year we are delighted to launch our BHCT Ride + Stride Photo Competition. Over the next 2 weeks we will be sharing a series of photos sent to us by the BHCT parishes, to give our Ride + Stride participants inspiration.

The competition is for all our 2020 Ride + Stride participants to photograph their experience during this year's event only. You can use the photos provided by the parishes as inspiration or capture your very own Ride + Stride moment.

All photos must be submitted to ridestride@bucks-historic-churches.org Entries must be in by Thursday 1st October. The winning photo will receive £100, followed by 2 runner-up's each receiving £50. The competition will be judged by an independent panel.

** (Please note by submitting your photos, you are agreeing to them being used on our website and Facebook page)

Good Luck!
