Church Organiser's Form.

We very much hope that your Church/Chapel will be able to participate again in this event. To enable us to produce an accurate list of Participating Churches/Chapels, would you please complete and return this form to your Deanery Organiser (Please complete and return the form as soon as you can). Forms may be returned by email or post, the contact details of your Deanery Organiser is on the **Guidance A document, please retain that for future reference.**

Each Church or Chapel needs its own entry details. We know that it is difficult to be definite as early in the year as this, but please do your best – we need the information to prepare the list of Participating Churches for circulation. If you wish to add information later when perhaps you decide to hold an event to coincide with Ride + Stride please send the information by email to ridestride@bucks-historic-churches.org in order that the website and e-list can be kept up to date. Thank you.
